Junior League of San Francisco presents

Holiday Faire

2020
Mission Statement:
The Junior League of San Francisco, Inc. (JLSF) is an organization of women committed to promoting voluntarism, developing the potential of women, and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

Focus Area:
Every 5-7 years, members of the JLSF vote to determine the focus area that guides our direction and decision-making with regard to financial and volunteer resources. Our current focus area is advancing the social and emotional well-being of youth and elderly in San Francisco.

Vision:
Since its inception in 1911, the JLSF has provided the community with an estimated six million volunteer hours and more than $24 million through direct community grants, advocacy, and membership training and development. As a problem surfaces within the community, the JLSF is frequently the first organization to recognize and address the issue, providing volunteer energy, financial assistance, and public support. Often in collaboration with other community groups and/or the public sector, the JLSF designs and launches a program, then works to achieve community impact and measurable results.
Welcome to the 4th Annual Holiday Faire

This event was supposed to be a night of shopping and sipping among friends – a festive way to support local makers while raising vital funds for the League’s community partners. There would have been decorations, music, hors d’oeuvres, and a huddle of volunteers exhaustedly drinking it all in.

Lots of things were supposed to happen this year, but we’ve spent 2020 modifying, maneuvering, pivoting, recalibrating. The buzzwords are endless, but they all amount to change. Strange, uncomfortable, wild change.

Which is why we’re so proud to present a taste of the familiar… with a twist. By trading hosting duties for hyperlinks and décor for dotcoms, we’ve tapped into unlimited fundraising potential at a time when our community needs us most. In years past, the constraints of a physical venue meant we were limited to featuring just two-dozen vendors. Now, by going virtual, we’re able to shine a light on 61 (yes, 6-1!) phenomenal merchants, all generously donating 15% of their sales to support the League’s mission (more about that on the next page).

It would’ve been delightful to gather and celebrate the many months of hard work and creativity that got us here. We look forward to sharing that moment with all of you someday. In the meantime, we hope you’ll invite friends and loved ones (near and far) to join you in supporting this year’s Faire – because amidst all the change, the simple act of holiday shopping still has the power to change lives.

As we finally pause to drink it all in, know that we’re wishing you and yours health, safety and joy in the year ahead.

The 20-21 Special Events Committee
Here’s How it Works

1. Fill your cart from the comfort of home through Nov. 19th
2. Enter code JLSF2020 at checkout everywhere you shop so vendors know to count your purchases toward their 15% donation to the League
3. Keep an eye out for icons indicating Holiday Faire-exclusive deals + discounts that apply automatically with code JLSF2020
4. Be sure to review each slide for special instructions/terms + conditions

*Discount 10% OFF
*Free U.S. Shipping
*Gift With Purchase

*Applies automatically with code JLSF2020
Community Partners

15% of proceeds from all Holiday Faire sales benefit the JLSF’s community partners

Safe & Sound works to prevent child abuse and reduce its devastating impact. They empower children to protect themselves, help parents cope with stress by engaging them in counseling and support services, and provide a best in class approach to children’s advocacy through strategic partnerships with city and county agencies. Visit safeandsound.org for more information.

Institute on Aging believes the future should be something to look forward to, at every age. IOA brings together pioneering experts, seasoned champions, and hands-on caregivers to make growing older better for Bay Area seniors and their families. Visit ioaging.org for more information.

Breakthrough San Francisco supports young people on the path to college and trains outstanding college students for education careers. Breakthrough students receive more than 300 hours of intensive enrichment annually, the equivalent of more than two extra months of school. Visit thesmartprogram.org for more information.

SMART provides low-income students access to an exceptional education and the skills needed to thrive in college and life. Only 9% of low-income students earn a college degree. SMART closes the achievement gap by providing access to academically rigorous schools and with intensive social, emotional and academic support from grades 5-12. Visit breakthroughsf.org for more information.
